SUBJECT: Proposed Study of Alternative
Working Hours

REFERENCE: Memo From DDA to D/PERS Dated 2 August 1983,
Same Subject

HRPS is currently working on study of alternative working hours for the expanded FY 1988 Headquarters complex with the initial draft to be completed o/a 30 September 1983. To date, information has been gathered from the Office of Logistics, the Building Planning Office, and the Office of the Comptroller. From this information, an FY 1988 projection of employees to be located in the complex will be developed by organization, and the several alternative schedules to relieve traffic congestion will be proposed.
